

CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Approving Specifications, Authorizing Advertisement for Bids for Lane Line Striping for Various City Streets 2005, and Authorizing City Manager to Award or Reject the Contract up to \$35,000

MEETING DATE: September 7, 2005

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt a resolution approving specifications, authorizing advertisement for bids for Lane Line Striping for Various City Streets 2005, and authorizing the City Manager to award or reject the contract up to \$35,000.

BACKGROUND INFORMATION: This project provides for installation of traffic stripes (lane lines) on approximately 38 percent of all striped City streets. The lane line paint application was skipped in 2004 as a one-time cost savings.

Should the actual bid be more than the amount budgeted, lane lines to be repainted will be decreased to match the funds available. Since weather is a factor in the application of lane lines, it is important to expedite the award process, thus, the reason for requesting award by the City Manager.

A recap of the types of lane line and quantities for this contract is shown below:

<u>LANE LINES</u>	<u>MILES</u>
Broken White	6.82
Broken Yellow	4.61
Double Yellow	7.20
Eight-Inch Solid White	1.31
Four-Inch Solid White	4.91
Continuous Left	6.36
Six-Inch Solid White	6.00
Six-Inch Skip	1.21
Total Miles	38.42

The specifications are on file in the Public Works Department.

FISCAL IMPACT: This budgeted expense will assist the Street Division in its continuing effort to maintain the City of Lodi's lane lines for visibility and safety.

FUNDING AVAILABLE: The money for this material will be coming from the Street Operating Budget (2005/2006).
